

Chancellor's Senior Survey Informed Consent Statement

You are being asked to participate in a voluntary survey. The purpose of this survey is to understand the experiences of graduating seniors at the University of Illinois Urbana-Champaign, to gain input on student learning outcomes, and to help campus administration improve programs and practices. Your only expectation for participation is to complete the survey.

If you agree to participate, the survey will take approximately 20 minutes to complete. You may decline to answer any question. No known risks are associated with this survey. Withdrawal or refusing to participate will not affect your relationship with the University in any way.

Principal Investigator Name and Title: Staci Provezis, Associate Provost for Planning & Assessment
Department and Institution: Office of the Vice-Chancellor for Academic Affairs and Provost at the University of Illinois Urbana-Champaign
Contact Information: sprovez2@illinois.edu

Why am I being asked?

You are being asked to participate in this survey because you are a graduating student. We would like to better understand the experiences of graduating seniors at the University of Illinois, to gain input on student learning outcomes, and to help campus administration improve programs and practices. Approximately 5000 students will be asked to complete the Chancellor's Senior Survey every year at the University of Illinois Urbana-Champaign.

Your participation in this research is completely voluntary. Your decision to participate or not will not affect your current or future dealings with the University of Illinois Urbana-Champaign. If you decide to participate, you are free to withdraw at any time without affecting that relationship.

What procedures are involved?

The survey will take approximately 20 minutes of your time and is entirely voluntary. You may decline to answer any question.

What are the potential risks and discomforts?

No known risks are associated with completing this survey.

Are there benefits to participating in the research?

By completing this survey, you provide valuable feedback to the University of Illinois Urbana-Champaign that is used to improve the educational experience for those students who follow you.

What other options are there?

You have the option to not participate in this survey.

CHANCELLOR'S SENIOR SURVEY

Will my survey responses be kept confidential?

Your privacy and the confidentiality of your data will be protected. By agreeing to take this survey, you authorize the University to connect your survey responses to demographic and academic data (such as major, minor, and grade point average). Identifiable data will be stored on secure servers and will only be accessible to the Chancellor's Senior Survey Research Team. De-identified data will be available to a representative from your college and department; and reports will only be presented in aggregate form. However, laws and university rules might require us to disclose information about you. For example, if required by laws or University Policy, information may be seen or copied by the following people or groups: a) The university committee and office that reviews and approves research studies, the Institutional Review Board (IRB) and Office for Protection of Research Subjects; and b) University and state auditors, and Departments of the university responsible for oversight of research.

Will I be reimbursed for any expenses or paid for my participation in this survey?

You will not be offered payment for being in this study, but you will be entered into a drawing for prizes as outlined in the invitation letter.

Can I withdraw or be removed from the survey?

If you decide to participate, you may stop taking the survey at any time.

Will data collected from me be used for any other research?

Your de-identified information could be used for future research without additional informed consent.

Questions about participation

Contact Staci Provezis, the Associate Provost for Planning and Assessment, sprovez2@illinois.edu if you have any questions about this study or your part in it, or if you have concerns or complaints about the research.

If you have any questions about your rights as a participant in this survey, please contact the University of Illinois at Urbana-Champaign Office for the Protection of Research Subjects at 217-333-2670 or irb@illinois.edu.

I have read the above information. I have been given an opportunity to ask questions and my questions have been answered to my satisfaction.

To enter the survey and consent to participate, please click on the 'I consent' button below.

Thank you.
